Dear PACR Security

Greetings in the name of our Saviour

It is with great gratitude and that the Klein Parys ward want to thank you for donating gifts towards our Potjiekos competition that was held on 13 September 2014.

We had 19 entrée's, three category winners and one overall winner. Your contribution entailed that we could give each entrée a goodiebag.

Your kind gesture is highly appreciated in contributing towards the success of the Potjiekos competition.

Yours in Christ

.....
